Date of Deposit: September 11, 2001  
Type or Print Name: Carla Elkins

Signature: 

Dear Madam or Sir:

TRANSMITTAL OF INFORMATION DISCLOSURE STATEMENT

Pursuant to the duty of disclosure under 37 C.F.R. § 1.56, Applicants submit herewith patent documents of which they are aware that they believe may be material to the patentability of this application and for which there therefore may be a duty to disclose. This information disclosure statement is being submitted in accordance with 37 C.F.R. § 1.97 and 1.98 and 609 of the Manual of Patent Examining Procedure.

Disclosed on the attached form PTO-1449 is a listing of prior art references recently uncovered by the Applicants and submitted herein pursuant to 37 C.F.R. § 1.97(c)(2), and a check in the amount of \$180.00 for the submission of an Information Disclosure Statement after the Mailing date of the First Office Action as set forth in 37 C.F.R. § 1.17(p). The Examiner is respectfully requested to consider each of the cited references and, after such consideration, initial the enclosed Form PTO-1449 in the spaces provided next to each reference. Please return a copy of the initialed Form PTO-1449 with the next communication transmitted to the Applicants.

The filing of this Information Disclosure Statement shall not be construed as an admission that the information cited is, or is considered to be, material to patentability, or that no other material or information exists. Applicants hereby expressly reserve the right to swear behind the effective dates of any of the references. Applicants further reserve the right to question the relevance and materiality of the references in whole, in part or in combination subsequent to the filing of this statement.

Legible copies of the items listed in Form PTO 1449 accompany this Information Disclosure Statement. Any markings, underlining, notations or the like present in any reference are not to be construed as drawing the Examiner's attention to or away from other parts or portions of the reference.

Respectfully submitted,

Robert W. Mason
